

House Resolution No. 4651

Whereas, the members of the Missouri House of Representatives hold in high esteem those Show-Me State organizations that admirably help enhance the quality of life in local communities and neighborhoods by supplying well-trained workers in a wide variety of commercial and business enterprises; and

Whereas, the Gascosage Electric Cooperative Employees include highly-skilled and knowledgeable electricians and linesmen who conduct a diverse range of services related to the electrical power supply on which construction, commerce, and daily life depend; and

Whereas, during 2007 the Gascosage Electric Cooperative Employees proved once again that their knowledge, skills, and experiences are important, especially when the forces of nature create havoc on a wide scale; and

Whereas, power outages after the January 2007 ice storm in central Missouri required Gascosage Electric Cooperative Employees to join with others to restore service to area electric customers; and

Whereas, it is fitting and proper that the Missouri House of Representatives should pause in its diverse legislative endeavors in order to recognize the outstanding services provided to fellow Missourians by the Gascosage Electric Cooperative Employees:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join unanimously to applaud the knowledge, training, skills, and dedication embodied in the work of Gascosage Electric Cooperative Employees members and to convey to all of those involved this legislative body's most heartfelt congratulations for their success in restoring electrical power after severe weather in the state of Missouri during 2007; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for presentation to the Gascosage Electric Cooperative Employees.
